

<sup>1</sup> Together, our organizations understand what individuals and families need to prevent disease, manage health, and cure illness. Our organizations are deeply concerned about cuts to these services and the lack of reliable resources for consumers who have questions about how to enroll in coverage. We are pleased that this legislation represents a significant and meaningful step

towards increasing access to services that help consumers enroll in high-quality health care, including Medicare and Medicaid.

Cuts to navigators and outreach and enrollment activities since 2016 have taken away resources that help
