HYPERTROPHIC CARDIOMYOPATHY

The Hypertrophic Cardiomyopathy Association is a 501(c)(3) nonprofit organization founded in 1996 with the aim to provide information, education, support, and advocacy for all HCM community. There are an estimated 1 million people in the USA either living with, or at risk of, developing HCM. The HCMA encourages all patients to become informed and engaged in our community.

The American Heart Association's Hypertrophic Cardiomyopathy initiative works to improve HCM awareness and education. It has been a leading source of health information.

SUPPORT FOR ALL WITH HCM.

The HCMA has many ways for patients, families and interested health care providers to learn how to treat HCM and how to live a full and productive life with HCM. The HCMA offers:

- Peer-to-peer support for those living with HCM.

- Website www.4hcm.org – online since 1996
- HCMA Facebook page (Hypertrophic Cardiomyopathy Association)
- HCMA national and regional meetings
- Support advocacy groups in your community

Become an HCMA member and receive these additional benefits:

- Receive a copy of *A Guide to Hypertrophic Cardiomyopathy*
- One-on-one planning
- Additional webinars and training materials
- Discount admission to HCMA events

Please take this card with you on your visit and use our check list to ensure you get the most from your experience at this HCM Center of
