Benefits

For Certified Facilities

- Opportunity to promote an American Heart Association certification
- Opportunities for increased referrals and help reduce unnecessary readmissions and potential penalties
- Access to collaborating with other Healthy Senior Living certified facilities nationwide
- Consultative services from American Heart Association staff
- Access to healthier living services
- Knowledge that the facility can provide services that are supported by American Heart Association science
- Assurance that the agency is recognized by the American Heart Association, based on professional evaluation criteria designed by cardiac and geriatric experts.

If your agency is interested in the Healthy Senior Living Certification, please provide your contact information on the website below and a member of our team will contact you.
